Important Information

Please note: Chocolate parties go for one hour and the children are well supervised throughout the party. You **MUST** notify us **ASAP** if your child has any allergies to dairy or nuts. There is no gluten, egg or soy products in any of the party food. There is plenty of parking at the venue but because the parties are conducted in our retail shop we do ask that you allow customers access to the products and shop counter so they can get what they need. Sorry but no prams are allowed in the shop when there is a party on. Unfortunately our party space requires all adult conversation to be kept to a quiet volume so the children can hear instructions and we ask you to keep non party guests to a minimum number. Our aim is to make the party enjoyable for everyone!!!
